

Checklist I2: Cancellation (E-journal)

De-Selection Criteria – See 12.5, 12.6.2

- No longer supporting a course?
- Not required for research
- High % price increase
- Low impact factor
- Adverse changes to licence
- High cost usage
- Significant number of access queries
- Post cancellation access (inc LOCKSS/Portico etc)

After sub end date reached check that access reflects any post cancellation access agreement
